

# RPA Hospital Redevelopment

March 2025

## Works notice: Commencing early April 2025 Vehicle and footpath access changes

A small section of Missenden Road footpath will be closed for approximately six weeks.

### Johns Hopkins Drive reopening to vehicles and Missenden Road footpath closure

From Friday 21 March 2025, Johns Hopkins Drive reopened to vehicles, following completion of construction works on the road.

From early April 2025 a section of the Missenden Road pedestrian footpath outside the Emergency Department drop-off area will be closed for approximately six weeks. This is to enable the installation of in-ground infrastructure for the new hospital. There will be detours in place to help pedestrians safely navigate around the works.

### Lambie Dew Drive closure

From Friday 21 March 2025, part of Lambie Dew Drive will be closed to enable the construction of the future 15-storey hospital building. Through access between Johns Hopkins Drive and Gloucester House Drive will not be possible. This will be in place for approximately two years until the new hospital building is complete.

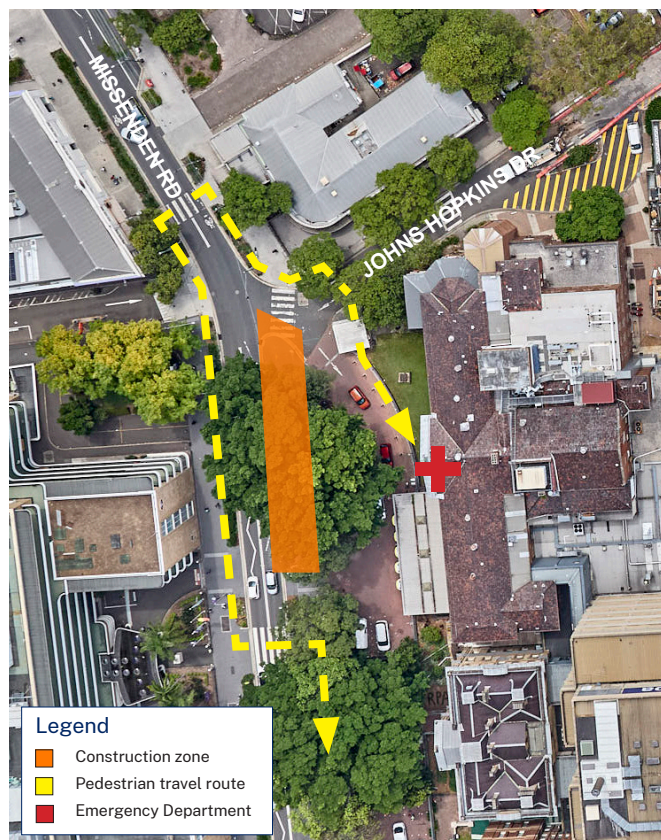

### Vehicle access changes

Johns Hopkins Drive access:

- Emergency Department
- Molecular Imaging
- Kerry Packer Education Centre
- Charles Perkins Centre gas compound
- Centenary Institute

Gloucester House Drive access:

- RPA Hospital main loading dock
- Level 1 access driveway (including mortuary)
- Gloucester House forecourt (urgent maternity drop-off only)

#### Legend

- Construction zone
- Pedestrian travel route
- Emergency Department

### More information

The health, safety and wellbeing of staff, patients, neighbours and community are our highest priorities. For any queries relating to this work, please contact the RPA Redevelopment Team via email [RPAREdevelopment@health.nsw.gov.au](mailto:RPAREdevelopment@health.nsw.gov.au) or phone (02) 9978 5901.

We thank you for your patience and cooperation while we complete these important works.
