

Works notice: Wednesday 4 October 2023 Gloucester House Drive temporary road closure

From **7am on Wednesday 4 October through to 4pm Friday 13 October**, a small section of Gloucester House Drive will be closed. Access to Lambie Dew Drive will be via John Hopkins Drive only. Traffic entering via Gloucester House Drive can use the new turning bay when exiting.

The enabling works on Gloucester House Drive are nearly complete, with the final stage of pavement and road rectification works occurring.

To ensure the safety of all, signage will be in place to direct traffic and pedestrians around these works.

While our builders continue to work on a range of civil and paving upgrades, staff, patients and visitors are advised to please note the following changes:

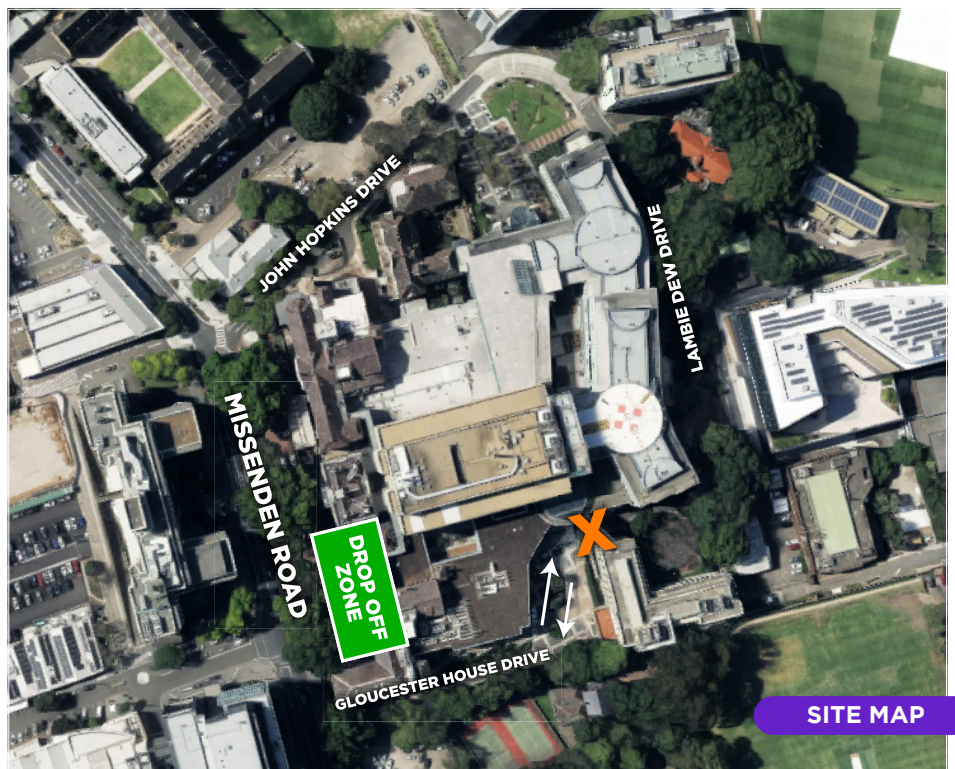

- Vehicle access between Lambie Dew Drive and Gloucester House Drive is temporarily closed
- Access to Lambie Dew Drive is via John Hopkins Drive only
- Delivery vehicles are required to access via Lambie Dew Drive only
- Patients and visitors are advised to use the Level 5 Missenden Road drop-off zone and enter via the main hospital foyer where possible

Best access to The Perioperative Unit, ICU and Gloucester House

A small drop-off zone has been maintained on Gloucester House Drive. Due to limited bays and expected congestion during peak times, patients and visitors are advised to use the Level 5 Missenden Road drop-off zone and enter via the main hospital entrance when possible.

The health, safety and wellbeing of our staff, patients, and visitors is our highest priority. For any queries relating to this work, please contact the RPA Redevelopment Team on phone: (02) 9515 4685 or email: SLHD-RPARedevelopment@health.nsw.gov.au

The redevelopment of RPA will bring many improvements to the hospital. We thank you for your patience while the redevelopment takes place.

How can I contact the project team?
