

Construction Communications October 2023

The NSW Government's \$940 million investment into the redevelopment of Royal Prince Alfred Hospital will see the biggest transformation of RPA in its 140-year history of caring for the community

It's an exciting time as we prepare for works to commence. Key construction activities this month will be near Grose Street, for the temporary helicopter landing site, and along Lambie Dew Drive, for eastern campus site establishment. We're committed to keeping you across all construction impacts to ensure the safety of staff and community.

See below key construction activities currently on campus:

Upcoming activities			
Works	Time and date	Location	Impact
Site establishment works WORKS NOTICE	21 August to late October 7am to 4pm	Hospital Road and Carillon Avenue, Camperdown	<ul style="list-style-type: none"> Construction fencing installation Tree pruning and removal Site shed set-up Increase of construction traffic

Minimising construction impacts

The health and safety of staff and the local community is our main priority and we are committed to minimising the impact of our works. We endeavour to keep noise, dust and vibration to a minimum. Please note the timing of works are subject to change and we will continue to keep you informed as works progress. Thank you for your patience as we build the future of RPA Hospital.

Stay up to date on the redevelopment by subscribing to our project updates at rparedevelopment.health.nsw.gov.au/subscribe and visit the project website rparedevelopment.health.nsw.gov.au for more information. Email HI-RPAREdevelopment@health.nsw.gov.au with any questions or queries.
