February 2024

Information sheet

Out of hours deliveries

As part of the ongoing works for the RPA Hospital Redevelopment, there will be an increase in out-of-hours deliveries, including some oversized deliveries, to the construction site on Lambie Dew Drive.

Deliveries are expected to occur between 4am and 6am. The delivery pathway will be via Missenden Road and down Johns Hopkins Drive.

It is expected that semi-trailers will be making the deliveries and will reverse down Johns Hopkins Drive.

Deliveries will be made in off-peak times and will be under the guidance of traffic controllers. People are reminded to always follow the direction of traffic controllers and signage.

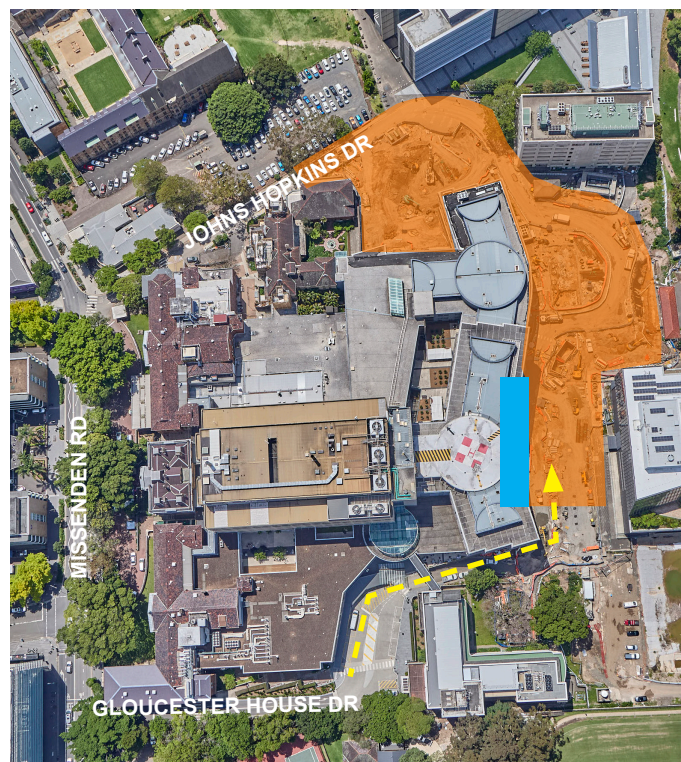

To see upcoming scheduled deliveries and any access changes, visit the logistics webpage on the project website.
