

# Works notice: Monday 11 December 2023

## Staff and visitor car park changes

From Monday 11 December 2023 there will be a temporary loss of car spaces across levels 1 to 4 of the staff and visitor car park. Works will take place between 7am and 5pm on weekdays over an expected three week period.

To maximise available car spaces, access to the car park will be maintained and our contractors will complete the required works in the below stages:

- 15 car spaces on level 1 and 57 car spaces on level 2 closed from 11 December to 22 December (inclusive)
- 15 car spaces on level 3 closed from 11 December to 14 December (inclusive)
- 17 car spaces on level 4 closed from 12 December to 21 December (inclusive)

Traffic control will be in place to help people navigate the space, and works will occur during off-peak access times.

These works are part of the construction of the temporary helicopter landing site, which is expected to take a period of 12 months to complete. Once complete, the temporary helicopter landing site will be in use for a period of approximately 24 months. Find out more about the relocation in our [Fact Sheet](#) and [FAQs](#) on our [project website](#).
