

Construction Communications December 2023

The NSW Government's \$940 million investment into the redevelopment of Royal Prince Alfred Hospital will see the biggest transformation of RPA in its 140-year history of caring for the community.

Key construction activities this month include the Eastern campus site establishment on Lambie Dew Drive and preparing for the temporary helicopter landing site near Grose Street. Current work will be between the standard work hours of 7am to 5pm.

Upcoming activities

Holiday closure period

Construction activity on the RPA Redevelopment will cease during the holiday period from Saturday 23 December 2023 and recommences on Monday 8 January 2024. We wish you a safe holiday season and look forward to keeping you informed about the exciting works set to commence in the new year.

Minimising construction impacts

The health and safety of staff and the local community is our main priority and we are committed to minimising the impact of our works. We endeavour to keep noise, dust and vibration to a minimum. Please note the timing of works are subject to change and we will continue to keep you informed as works progress. Thank you for your patience as we build the future of RPA Hospital.
