

RPA Hospital Redevelopment

April 2025

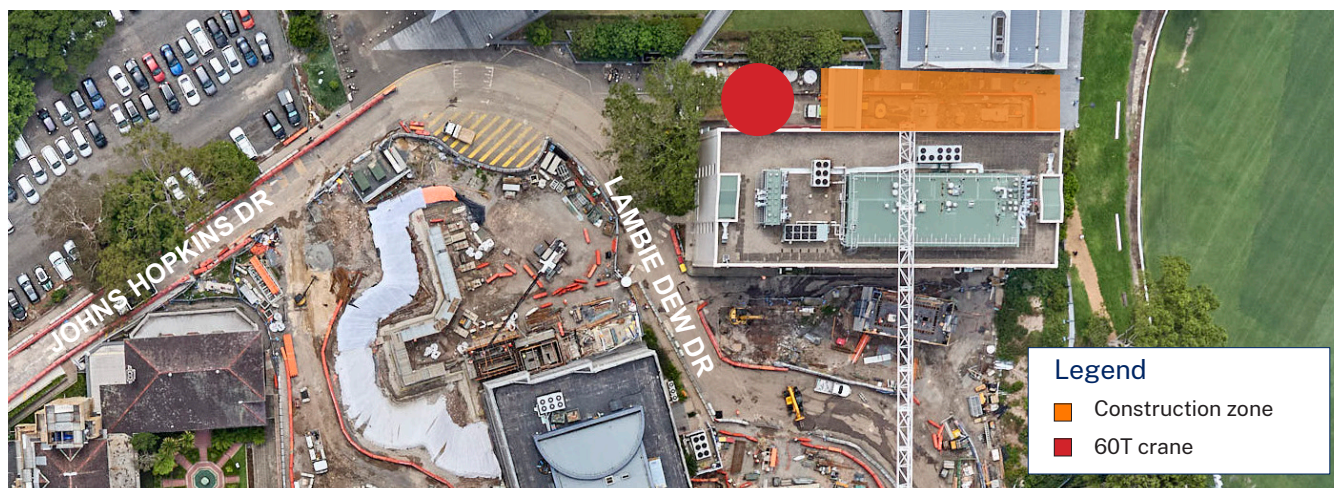

Works notice: Saturday 5 April 2025

East Campus medical gas vessel installation

From Saturday 5 April 2025 6.30am to 5.00pm two medical gas vessels will be installed in the new gas compound outside Centenary Institute.

A mobile crane will be used to lift two medical gas vessels into place for installation on Saturday 5 April 2025. For the safety of staff, patients and visitors, an exclusion zone will be set up around the worksite.

Traffic control will be in place to help pedestrians safely navigate around the works. Always follow direction from traffic controllers and take care when navigating around construction.

Key impacts

- Change to Centenary Institute access impacts
- Sydney University crane slew over Sydney University land during lifting works
- Change to pedestrian impacts
- Traffic controllers on site

More information

The health, safety and wellbeing of staff, patients, neighbours and community are our highest priorities. For any queries relating to this work, please contact the RPA Redevelopment Team via email RPAREdevelopment@health.nsw.gov.au or phone (02) 9978 5901.

We thank you for your patience and cooperation while we complete these important works.
