Community and staff pop-up information session

The $940 million redevelopment of the Royal Prince Alfred Hospital (RPA) will deliver the biggest transformation in the hospital's 140- year history of caring for the community.

Community and staff are invited to pop-in to our pop-up in the RPA main hospital foyer and speak with representatives from the redevelopment project team to find out more on what is being delivered.

Tuesday 31 October | 10.30am to 12.30pm
